

District Goals

- All students in EUSD will be provided with equitable access to educational opportunities and programs for economic, political and social empowerment
- All students will learn and demonstrate 21st century skills including collaboration, critical thinking and creativity to be college and career ready
- Innovative technology will be integrated to facilitate global awareness, communication, collaborative learning and critical thinking
- To provide a comprehensive multi-use city-school campus that fosters a respectful environment, engages students in an innovative education, and offers comprehensive resources to bring member of the Emeryville community together to interact and learn
