January 2026

Message from the Superintendent

Dear EUSD community,

I hope the winter break provided time for rest and connection, and that the year ahead begins with meaningful time for resolutions and resets. Our district remains deeply committed to equity and to ensuring that all students and families feel supported, valued, and included. As we begin the new year, we are excited to continue our new initiatives that strengthen the health and wellbeing of our community.

Over the past months, we have seen inspiring examples of what is possible when schools and community partners work together. From our Back-to-School Drive this fall, to food distributions throughout the winter, these outreach efforts demonstrate the power of collaboration and compassion. These efforts reflect our belief that student success is rooted in access to care, resources, and meaningful support. I am grateful to our staff, volunteers, and community partners who help center equity and wellbeing in all that we do at EUSD.

Thank you for your continued engagement and support. I look forward to a productive and meaningful year ahead.

Warm regards,
Dr. Quiauna Scott
Superintendent

Happy New Year!

¡Feliz Año Nuevo!

EHS Student Wins Big in Track

Congratulations to Emery High School junior Sahibpreet Singh for qualifying for the prestigious State Winter Track Championships!

Sahib clocked an impressive 1:29.21 in the 600 meters, earning his spot in the elite state meet. The accomplishment is even more remarkable given his rapid rise in the event. As a freshman, Sahib ran the 600 in 1:47.90, improved to 1:36.93 as a sophomore, and has continued to cut time and add speed every season. He will compete at the state championships in Arcadia this February.

Off the track, Sahib continues to excel in the classroom. He is enrolled in AP classes, earned straight A's this semester, and carries a 4.0 GPA, truly embodying the ideal student-athlete.

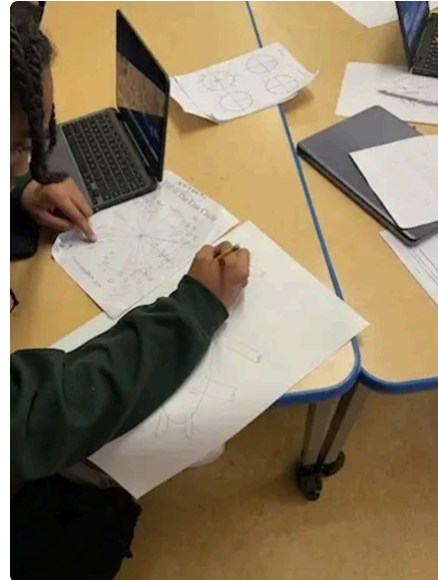

Big congratulations to Coach Todd Kane-Ross for his year-round dedication to Emery Track, and GOOO Sahib and Emery Track!

Collaboration with City of Emeryville

Emeryville City Manager LaTanya Bellow recently visited Emery High School, where she toured classrooms and spent time with students and staff.

Following her visit, she shared her reflections, writing, "It was such a treat to walk through the classrooms and see the amazing and thoughtful work the students were focused on. Emery High is doing great work, and our future is very bright with the young, scholarly minds attending our schools."

Thank you, Ms. Bellow, for visiting Emery High School and for your continued support of our students and staff!

EUSD Staff Participate in Professional Development

Throughout the school year, our educators have engaged in purposeful professional development to strengthen instruction and student achievement. In August, staff focused on CAASPP preparation and reviewed assessment expectations to ensure students were supported from the very start of the year. In October, professional development centered on reflection and analysis of comprehensive assessments. Teachers collaborated to better meet student needs across grade levels and content areas. In March, professional development will provide timely support for spring and end-of-year testing.

By aligning professional development throughout the year, our educators are better prepared to meet student needs and help all students succeed.

Celebrating School Board Recognition Month

Board members play a vital role in adopting district policies that support student success and ensuring fiscal responsibility. During School Board Recognition Month, we recognize and thank our Board of Education members for their dedication and service to our schools and community.

We are grateful for the countless hours they devote to attending meetings, reviewing materials, listening to community input, and making decisions that positively impact students, staff, and families. Please join us in thanking our board members for their leadership and continued support of EUSD!

Attendance Counts!

Regular school attendance is essential to student success. Being present every day supports academic achievement, builds positive routines, and strengthens connections between students, teachers, and peers. Families are encouraged to keep students home when they are ill and follow health guidance, but to return students to school as soon as they are well to minimize learning disruptions.

If your student is feeling sick, we encourage families to visit the Emeryville Health Center and take advantage of the comprehensive medical, behavioral, and oral health services available to students.

Our attendance goal is 95%, and we are committed to working collaboratively to reach it. Ms. Amara provides support to families by monitoring attendance trends, assisting with outreach, and helping connect families to resources that reduce barriers to regular attendance. Please reach out to her if you are looking for additional resources on how to improve your child's school attendance.

Thank you for partnering with us to ensure students are present, engaged, and ready to learn.

TK-Kindergarten Enrollment Now Open!

TK and Kinder registration at Anna Yates Elementary is now open for the 2026-2027 school year! Our students learn in a caring, inclusive environment with dedicated teachers, enriching programs, and strong family partnerships.

AC Transit Updates

On February 1, AC Transit will make adjustments to the new Realign service network to address overcrowding and further increase reliability.

Highlights include:

- Additional trips between CSU East Bay and Hayward BART on Line 60
- Addition of hourly service to Skyline High School on Line 31
- Additional trips to relieve overcrowding on Lines 73, F, O and P
- Service between Fruitvale BART and Seminary Ave at San Leandro St. discontinued from Line 19, added to Line 54
- Schedule changes on most bus lines

Learn about additional service on select lines and schedule changes on most bus lines:

23rd Annual Oakland Black College Expo™

Don't miss this opportunity to connect with representatives from a variety of historically black colleges and universities, as well as other educational institutions. Discover scholarship opportunities, explore academic programs, and get all your questions answered. Students are encouraged to bring several copies of their high school transcripts for on-the-spot acceptance.

Whether you're a high school student or a parent, this event is a must-attend for anyone interested in pursuing higher education.

Participate in seminars on Financial Aid, Why Attend an HBCU, Real Talk: College vs High School, How to Start a Business, The 411 for Student Athletes, Celebrities, Entertainment, Cash & Prizes!

Mark your calendars and get ready for a day filled with inspiration, information, and endless possibilities! This event is hosted by **National College Resources Foundation**.

Oakland Marriott City Center, 1001 Broadway, Oakland, CA 94607

February 7, 2026

10 AM to 3 PM

Tickets start at \$12.29 on Eventbrite. Sales end on February 7, 2026.

Community Resources

We are committed to prioritizing the mental health and overall well-being of our students and staff. Engaging in self-care activities, spending time with loved ones, and setting limits to cope with stress can all be helpful for families.
