

Naming Committee

Minutes

April 27, 2021

1. Roll call – President Collins; County Representative Van Geffen
2. Public comment – none
3. Review/update
  1. Scope: For the board to consider naming or renaming key facilities and or buildings in honor of outstanding contributions made by students, staff and community members. Potential building and facilities include but not limited to: art room, cafeteria, track & field, gym, labs, learning center, library, play structures, pool, science rooms, community center
  2. Vision: inspire all our students; engage our entire community; and potential source of supplemental funding
  3. Goals: ensure committee input to inspire all our students, staff and community through the naming of buildings and facilities
4. Discussion
  1. School board has received name change proposals from public.
    1. Proposed names include, but are not limited to, Steve Dain, Kary Mullins, Jimmy Clayton, Robert Savage, etc.
    2. Proposed facilities/buildings include, but not limited to, athletic field, science center and High School.
  2. The goal of the naming committee is to ensure committee input to inspire all our students, staff and community through the naming of buildings and facilities.
  3. To ensure Board meets the vision and goals of the naming committee, we want to have a process for engaging the students and the community through a “Naming Campaign” allowing the Board to publicly (and simultaneously) solicit, discuss and consider requests from students and community members.
5. Future action items / Report Out
  1. Request Board add future agenda item
    1. Vote on creating/starting a “naming campaign”
    2. Board discussion
      1. Which buildings and/or facilities are to be the focus of naming campaign?
      2. How to incorporate Student-Teacher involvement in name proposals and public discussions?
      3. Propose a schedule for: 1. Announcing “Naming Campaign”; 2. Soliciting Student/Community involvement; 3. Setting deadline date for submitting proposals; 4. Compiling all student and community proposals for public dissemination; 5. Public discussion of support and/or opposition of recommendations; and lastly 6. Vote
6. Closing.
